Southern Table Tennis Presidents Report 2026

It has been another great year for Southern Table Tennis with our club running smoothly, having great volunteer support, steady participation numbers and being in a strong financial position. There have been a few changes this year with some new volunteers, a club coach being appointed and more participation in the TTSA Winter pennant.

Volunteers are the backbone of our club and most of our volunteers have been doing so for a long time. Over the years we have mentioned many times that we could use more volunteers to provide some flexibility and to reduce the burden placed on a few. This year it was pleasing to have Di Thompson and Trevor Smith put up their hands to open the stadium for the morning social sessions. I would also like to thank Ian Henschke who has taken over the Recording Secretary role from Matthew Jackson and will be updating the weekly competition results. We could still use more volunteers in a number of roles and we will be looking at how we can achieve this in the following year.

This year we created the position of "Club Coach" and it was fantastic to have Jose Navarro take on this role. Jose had been working with a number of our promising juniors and been doing a tremendous job. The way some of these juniors have developed in a short time has been amazing. This was demonstrated in the recent STT Club Championships where 2 juniors played in the grand final of the Men's Singles.

It was interesting to see the increasing demand for STT to enter more teams in the TTSA Winter Pennant competition. This year we had 4 teams with the Division 1 team being runners up. I expect that this may increase next year as a number of our players chose to play for other clubs due to uncertainty about STT being able to accommodate them.

Financially the club is travelling well as we continue to make small profits each year while keeping the costs of playing table tennis as low as we can. I would like to thank our Treasurer, Geoff Goss, for the fantastic work he does in managing our club's finances.

We are fortunate that we have had many years with very few issues and participation numbers being steady. The greatest challenge ahead is to find more people to share some of the volunteer workload. If this can be done then we may be able to look at other initiatives to further improve player participation.

Southern Table Tennis Junior Development Officer's Report 2026

I guess the best way to describe 2025/2026 in respect to Junior Development is a period of maintaining the delivery of core junior activities. Probably the shining light was Jose Navarro's commitment to junior coaching, observing junior player improvements and their progression to selection in the State Junior Team. Jose has since been appointed as Southern Table Tennis Club coach.

Let's have a look at and discuss the key junior activities in 2025/2026.

- *Tuesday Night Junior program* – run during all school terms other than the school holiday period. Two sessions each Tuesday evening were on offer, a 6.00 to 7.00 pm for the younger inexperienced juniors and a 7.20 to 8.30 pm session for the older more experienced juniors. Attendance fluctuated between 22> 28 students each Tuesday night. As the term progressed, numbers attending the earlier session grew, while the later session fell away in numbers. The second session was changed to include an element of fitness and a squad training approach. Thankyou to all Southern's accredited coaches who helped deliver the program.

- *Junior Development Squad* – As part of his work with several improving juniors, Jose established a small squad of talented junior players, providing them with an additional training session and bringing about cohesion amongst the juniors.

- *Smash Hit Southside* – while Southern had good representation in the 2025/2026 program, unfortunately overall numbers were surprisingly poor. The 12 week program was conducted on a round robin group structure.

- *Sporting Schools* – during the operating period, only one Sporting Schools program was delivered by Southern Table Tennis, that being a 16 class session program across a 4 week period at Coromandel Valley Primary School. This was the third program Southern had delivered to the school.

- *Sports Vouchers* – as an approved provider, the Tuesday Night Junior program attracted the presentation of 58 Sports Vouchers, with many juniors using both their $100 vouchers to cover 2 terms of Tuesday Night Junior program.

- *Coaches* – in respect to the Tuesday Night Junior program, Southern is well positioned with the number of coaches available to deliver the program. Two coaches undertake private coaching and a couple of coaches are available to deliver Sporting Schools programs in the Southern area. Southern would be more activate in promoting coaching to schools if there were more coaches available to deliver coaching during school operating hours.

- *City of Onkaparinga Junior Tournament* – unfortunately this tournament was cancelled in 2026 due to poor registration numbers. There were various reasons / factors which led to this unexpected outcome. Appropriate scheduling in 2027 should resolve this hiccup.

- *DHS 'Working with Children' clearances* – I advise that all coaches have a current DHS 'working with children' clearance.

-

- *State Junior Team* – Southern congratulates Toby Thomas, Ben Allen and Callum Robertson on their 2026 selection to represent South Australia at the National Junior Championships in Queensland.

- *National Junior Championships Date Change* – during Covid and period thereafter, TTA combined the National Junior with the National Open, Youth & Para, all conducted during the July school holiday period. The National Junior in 2026 was separated from the others and held separately during the September school holiday period. This change influenced the normal scheduling of sanctioned SA junior tournament during 2026. It is likely the National Junior will be scheduled for September school holidays in 2027.

- *Club Coach Position Introduced* – in recognition of his passion to deliver coaching to both juniors and adult members of Southern Table Tennis, the Executive Committee created and appointed Jose Navarro as Club Coach.

In closing, I thank all those coaches (Marcel Storken, Jo Storken, Suoyi Flierl, Mandy Hancock, Callum Robertson, Jay Storken, Denise, Jose Navarro and other persons who assisted me deliver the junior programs and activities in 2025/2026.

INDEPENDENT AUDITORS REPORT TO THE MEMBERS OF THE SOUTHERN TABLE TENNIS INC.

Scope

I have audited the Financial Statements, being a special purpose financial report which comprises a Statement of Receipts and Payments and Notes to the Accounts for the year ended 31 August 2026. The Committee of the entity are responsible for the preparation and presentation of the Financial Statements and they have determined that the accounting policies are appropriate to meet the financial reporting requirements of the Associations Incorporations Act 1985 and are appropriate to meet the needs of the members. The Committee's responsibility also includes establishing and maintaining internal controls where possible relevant to the preparation of the financial statements and that it is free of any material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on the Financial Statements based on my audit. No opinion is expressed as to whether the accounting policies used are appropriate to meet the needs of the members. I have conducted the audit in accordance with Australian Auditing Standards. These standards require that I comply with the relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial statements is free from material misstatement. My audit procedures included examination on a test basis of evidence supporting the amounts shown in the accounts.

The audit opinion expressed in this report has been formed on the above basis.

Independence

In conducting my audit, I have complied with the independence requirements of the Australian professional accounting bodies.

Audit Opinion

It is not practical for the Club to establish accounting controls over cash collected from all sources prior to receipt. This is consistent to entities similar to this Club and is a result of the limited resources available in accounting procedures.

Accordingly, it is not practical for my examination of these areas to extend beyond amounts recorded in the accounting records of the Club.

Subject to the above, in my opinion, the Financial Statements present fairly, in all material respects the position of the Club as at 31 August 2026 and the results of the operations for the year then ended in accordance with all applicable Australian Accounting Standards and the Association Incorporation Act (SA).
