PLAYER INFORMATION:

A TTSA Tournament Review Committee met following the 2017 sanctioned tournament season to review event patronage and the general running of tournaments. This has led to a few changes in 2018 which are being trialled. These being...

- Mixed doubles events were not being well patronized. Thus, there are now only 3 mixed doubles events, O30 (for O30 & O40 players), O50 (for O50 & O60 players) and O65 (for O65, O70 & O75 players), and
- Due to the lack of females playing veteran table tennis in some age groups, the number of Women's Doubles has been reduced to 2 women's doubles events, namely O30 (for O30, O40 & O50 players) and O60 (for O60, O65, O70 & O75 players).

Additionally, Southern will make the first round of singles events as round robins (groups of 3). This will provide competitors with more matches for their money. However, to avoid unnecessary long tournament days, a player can only go in a maximum of 5 events.
