## PLAYER INFORMATION:

A TTSA Tournament Review Committee met following the 2018 sanctioned tournament season to review event patronage and the general running of tournaments. This has led to a few changes in 2019, these being...

- based on player feedback in 2018, age group doubles (men's, women's & mixed) have been reintroduced.
- first round matches in singles will be round robin groups. This provides competitors with more matches for their money. However, to avoid unnecessary long tournament days, a player can only go in a maximum of 5 events.
