

5 Person Teams

In 5 person teams everyone plays 3 singles and at least 1 doubles.

The Singles matches are:

Number 1 plays against 1, 2 and 3

Number 2 plays against 1, 2 and 4

Number 3 plays against 1, 3 and 5

Number 4 plays against 2, 4 and 5

Number 5 plays against 3, 4 and 5

The Doubles matches are:

Players 1 and 2 against players 1 and 2

Players 4 and 5 against players 4 and 5

Player 3 and any other player against player 3 and any other player

The total number of matches is 18 and there will be 3 tables available.

In the event of a tie the result is determined firstly on who has won the most games. If the number of games is also equal then it is a countback using only the last 5 singles games.
