

## **TTSA Winter Pennant 2026**

- Commences early May and finishes late September
- Clubs nominate teams of 3 who compete in divisions (teams may have more than 3 players so that they have a reserve)
- Matches are played at Southern, Brighton, Adelaide, Woodville, Payneham and East Adelaide (Campbelltown)
- Each player plays 3 singles (no doubles)
- Matches start 7.30pm and finish around 10pm.
- You represent your club so players must wear a club shirt
- Cost for Southern players is \$98 per player
- In 2025 the rating central criteria for players in each division was
  - Super League >1650 (Mon nights)
  - Super League reserves >1500 (Tues nights)
  - Division 1 >1400 (Mon nights)
  - Division 2 >1300 (Tues nights)
  - Division 3 >1200 (Mon nights)
  - Division 4 >1100 (Tues nights)
  - Division 5 >1000 (Mon nights)
  - Division 6 >900 (Tues nights)
  - Division 7 >800 (Mon nights)
  - Division 8 >700 (Tues nights)
  - Smash Hit – juniors – (Tues nights)
- To qualify for a division each nominated team also has a total minimum and maximum rating using the 3 highest rated players in that team
- It should be noted that in 2025 a lot of players were allowed to play in a division higher than their rating and many teams did not satisfy the minimum total rating
- Most clubs get organised with their teams very early in the year
- We are hoping to have teams organised by early February
