The Editor of the 'Southern Times',
Box 197, P.O. , Port Adelaide,
S.A. 5015.

Dear Sir,

Thanks to publicity given by your paper last year, there was an excellent response from people wishing to play competitive table tennis during the 1973 winter season.

Clubs are in the process of being formed at Port Noarlunga and Morphett Vale, a private group has been formed at Hackham and letters have been sent to the McLaren Flat and Willunga Table Tennis Clubs inviting them to field teams in the proposed new Southern Table Tennis Association.

However, Organisers are needed to form local area clubs , particularly in areas such as Christies Beach, McLaren Vale, Reynella, and St.Vincent's.

Information can be obtained from Ron Hill (822770) and Tom Dyke (833219). We also ask that if any of your readers have at home in good condition a table tennis table that is lying idle, that they might offer it on a loan basis to the new association. In this way we hope that a pool of supply of tables will be available to temporarily assist any new club that is financially struggling in its formation.

T.Dyke and R.Hill
Co-organisers of the Southern
Table Tennis Association.
